Dear Marius and Rada,

Thank you so much for the wonderful 86th birthday party for my father. I could tell he really enjoyed it. The patio was so comfortable the food was fantastic. I especially love the cabbage rolls. I can't believe all the work you put into the evening. That was really kind of you.

Thank you also for the excellent care you give my Dad. I see him getting strong and stronger every time I see him. I'm happy to see my Dad in such a lovely, caring environment.

**Thanks again,
Cheryl Rush**

Dear Rada,

Thank you for welcoming the Patterson "flock" into your home for the anniversary party. Your warmth and hospitality are much appreciated, as is your kindness and care of Mom and Dad.

Also I wish to thank everyone at Serenity Park for the patient and kind care provided to Mom in these difficult times for her. It is such a relief for her family knowing that she is well cared for and treated with respect.
